Me & Chelsie Boyer pulled in the bank parking lot [illegible] evening & Dwight Johnson and Jay Johnson were fighting with Dave & Billy Scott. Dwight Johnson had a gun & Billy Scott kept telling him to put the gun down. As Billy was turned around, Jay Johnson hit him over the head a coupe times with an object that looked like a lawn mower blade. Dwight, Jay, Billy & Dave all started fighting — Dwight & Jay both had objects in their hands during the entire fight. Billy Scott's head was badly cut & his nose was bleeding. Dave had a few cuts & bruises, but wasn't badly hurt. The fight eventually changed when Dwight & Jay jumped in their car & took off. We took off and [illegible] hours & a half (approximately) later. We were going thru New Westville and at Judas' Enterprises was a white group of Johnson's & the other (Cecil Hart's home) was Dave Scott's, Jay Johnson, Cecil & Jerry Hart

TEMENT OF:

Jason Weaver & a few other people I didn't know. As Chelse & I were trying to pull off the road, Dorothy (Dottie) Johnson tried to open the passanger door & drag me out. I locked my door so she kicked Chelse's car and called us names. After we were out of the car, Carl Hart (the father) tried to reason with the Johnson's because they all had guns & ball bats but they only wanted to fight. After awhile Ellis Johnson fired a gun & shot a big hole in the pavement. There were alot of threats, etc made, but no one was actually hurt. The Johnson's that were there were: Dorothy Johnson, Jay Johnson, Ellis Johnson, Ronnie Johnson, Bonnie Johnson, & some others I couldn't see. All this started over Dave Scott telling Ronnie Johnson not to race but me in the face again & Jay Johnson accused him of vandalism & threatened him with a gun. Ronnie hit me in the nose saturday nite, & Dave was trying to stick up & protect me.
