Dear Billy:

I received your letter yesterday. Enclosed please find copy of the Notice of Appeal, Motion for Transcript and Praecipe for Transcript to be paid from public funds. Also find enclosed a copy of the letter I sent your father.

First, Ms. Ferguson has a "secret" Grand Jury scheduled for August 20, 1991 solely designed to indict you for Buckley. There is a secret meeting with Swihart and Ms. Ferguson at her office August 19, 1991 at 5:00 p.m.

As near as I can tell their theory is that you wanted to have sex with Lesa at the party, but she refused you because Jena was there. You and she were supposed to have walked off to smoke a joint together, where upon you again tried to force yourself on her, struck her on the back of the head several times, raped her, bit her clitoris off or nearly off, and threw her in the water.

I believe the Prosecutor is trying this fast for political reasons. The Buckley group and Ms. Ferguson were on television news saying they had solved the case and would be indicting someone in jail within 30 days.

Now that you're a legal eagle, have you thought up any other errors you want me to raise in the appeal?

Yes, we did object to the manslaughter instruction. Yes, I am fairly confident Ruebush's murder case is done as far as double jeopardy.

Ferg, AKA Rebecca Ferguson's brother, is now out on bond. His case was reduced to CCW. I plan to write to the Judge in Montgomery County before sentencing. Apparently, Ferg says he is going to kill me before he goes to prison.

As to your car, I'll need to talk with your dad about the arrangements. Right now it's probably safer where it is. I

suspect I'll be talking to you soon enough anyway.

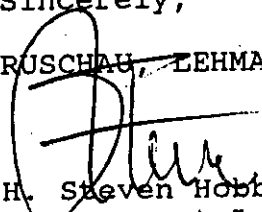

Remember, don't talk to the deputies that transport you about Buckley at all. They will just twist around what you say.

Lastly, I'll loan you my other "set" of socks for the next trial.

Take care.

Sincerely,
