

**Gary Heath Recantation of Grand Jury Testimony
w/ Legal Documentation**

September 18, 1991

This document shows an attempt was made to get Rebecca Ferguson to see what was happening. It also shows that Gary Heath's recantation came well before David Lindloff testified against him in the Vendetta Cox murder trial. Lindloff has been quoted as stating the reason for the recantation was revenge for him testifying against Gary.

vs.

FILED IN COMMON PLEAS COURT
BUTLER COUNTY, OHIO
Preble County Case No.

Judge Elliott

EDWARD S. ROBB, JR.

MOTION FOR TRANSCRIPT

Now comes the Defendant, by and through counsel, and moves this Court for a Order that a transcript of the Grand Jury proceedings held in this case be prepared and made available to Defendant at no expense to Defendant.

Defendant is indigent and incarcerated. Defendant cannot pay for such transcript. One of the State of Ohio's key witnesses has indicated he was not truthful in testifying before the Grand Jury, further indicating his testimony was "prompted" and/or coached by agents of the State of Ohio. (See attached statement). Clearly, such improper action, if true, must be made known to defendant. A complete transcript is essential for Defendant to adequately address this matter.
