

Donald Sutton

Donald made two statements in which he states he found Lesa's wallet, but at two different times. The 1-74 states that was cleared up by Don and that the wallet was found under an unknown car on the north side of the beach area. The 1-74 never does specify how this was cleared up or whose car it was. The investigators do, however, lead you to believe the wallet was found on the south side of the beach area closer to the area where black bathing suit bottoms were found. Well which is it?

STATEMENT OF:

It was 1:45 2:00 in the morning I and Jenna
Billy Scott's girlfriend was cleaning up the place
after I made every one leave. We found
a Navy Blue wallet we didn't open it
until later. I asked Missy Longmire if
was hers ^{D.S.} Missy said it wasn't hers
she opened it and it was Keris' wallet
so I put it in my truck. We all
went to sleep around 2:30-3:00 and
early Sunday morning. When we got
up it was quite warm outside and
we (the people that stayed the night)
decided to go swimming 12:00 noon
and pick up the rest of the trash we
couldn't see Saturday night. Later in
the day myself Billy Scott and his girlfriend
Lee Craven and his girlfriend, Jerry Park
were swimming out to the center of the
lake. Billy Scott had a cramp and went
to the bank, south side and they swam
up on it. ^{D.S.} About 6:15-6:30 pm Sunday
evening. That's ^{D.S.} when I went to get
Dennis Scheiding.
