the light. Go to the end of the road (it T's)

Turn right. Go across the bridge and

left onto Freed Rd. Our trailer sits on  
the hill right in front of you. Big pine

We share a private drive with the neighbors

wish to Christ I didn't have to write you  
this note. But I knew you'd want to know.

MARILYN, don't call work

Don't talk to anyone until you've talked with me.  
You are at risk. Please just get in your car  
and come. This must be a private talk.
